

Leisure sun protection

2023 NEW RANGE

MOTORBOATS

Sun protection range

Essential for the summer

Because your passion has no bounds, NV has developed a range of leisure sun protection to match your sailing plans, for motorboats under 9m with rigid or semi-rigid hulls.

*Make the most of your outings at sea,
well protected and in complete safety!*

The best in outdoor protection

Durability. Comfort. Technical.

NV equipment, serving your passion at sea for over 45 years

EQUIPMENT TO FIT YOUR BOAT

These products are specially designed for your boat model, custom-made to perfectly fit your cockpit and offering maximum protection and comfort. Select from a range of materials and colors.

Available to order within 4 weeks from our NV retailers

EN VENDÉE

 sunbrella®

SUN PROTECTION FOR EACH SAILING PLAN

- Day trips on my RIB
- Coastal navigation
- Anchored for a picnic or a dive
- Sport fishing fan

For your day trips, SUMMERTOPS

Maximum shaded area and modularity, depending on the time of day

With its popular modularity, this is our best-seller

For your coastal outings SPORTLINE

Outdoor protection that brings a new level of comfort to small motorboats at sea

Sober look which provides simplicity on the boat

For your fishing trips, SPORTLINE FISHING

Easy to install, space-saving protection that leaves you free to move around while fishing

Specially adapted features for fishing

For shady stopovers, AWNINGS

Additional shading, at the front or rear, depending on your boat model

Can be fitted to the front of the cockpit

Looks good and fits perfectly on the boat

Couture look with matt grain-effect lacquering

“Click and Go” removable function for overwintering in a dry port

Can be fitted to the front or rear of the cockpit

SUMMER TOP

Our best-seller 
since 2006

This is the range best suited for sailing along the coast. The surface area of NV awnings shades your cockpits up to 20% more than other products available on the market. Compact and modular, they can be fitted and removed quickly, both at anchor and during sailing.

OUR AFTER-SALES SERVICES

**At your side
at all times, for
more sustainable
equipment**

Non-warranty repairs: (on estimate and after diagnosis)

Order product parts (without damaging the original design), spare parts and replacement canvas (original NV product) from your retailer

Replacement canvas reserved for protections with NV brand arches: dull or opaque windows, stained or worn canvas are signs that it is time to replace your outdoor canvases.

NV Warranty:

NV products are covered by a two-year warranty. Out of warranty, they can be repaired in our workshops after inspection and a quote.
